 In accordance with Australian law CRICOS codes are not required for transnational programs or for programs available only in off-campus mode. Annual fees reflect standard program duration.

Q Intake into this program is limited by quota

Minimum English language entry requirements

IELTS (International English Language Testing System) (see Note below)	Score
Reading and Writing	6.0
Overall Band Score	6.5

TOEFL (Test of English as a Foreign Language)	Score
TOEFL iBT (Internet-based test)	90 with no band less than 21
TOEFL PBT (Paper-based test)	577 with TWE (Test of Written English) of 4.5

English Language Programs	Score
Successful completion of the CELUSA Academic English Program	Level 5

Other ways to meet the English language condition

- Successful completion of a tertiary qualification at diploma level or above completed in Australia within the last two years; or
- Successful completion of at least two years of tertiary study at diploma level or above conducted and completed in English within the last five years in a country in which English is commonly used as determined by the University (see Note 2 right).
 Where the study in English was more than five years ago this requirement may be satisfied by subsequent and recent work experience of at least two years duration in a setting where English is the language of business subject to satisfactory evidence as determined by the University.

Note 1: Results from IELTS and TOEFL are valid for two years.

Note 2: The University through UniSA International maintains a list of countries where English is commonly used and which would satisfy this criteria. This may include particular educational institutions within a given non-English speaking country where English is the language of instruction.
